Courthouse Project Update 10.18.19

WRITTEN UPDATE DISTRIBUTED IN LIEU OF MEETING MEETING SERIES IS NOW MONTHLY: next instance, 10.24.19 New and/or updated items indicated by bold italics

1. Schedule

a. Current Schedule Impacts

- On 10/17, Hoffman Construction informed the project team that elevator delivery
 has been rescheduled to 10/28, representing a potential two-week delay to the
 project schedule.
- The project team has requested an elevator installation recovery schedule from Hoffman and will evaluate it for potential schedule impacts.
- Hoffman also reported that its exterior cladding subcontractor is on a recovery schedule due to delayed mobilization. This is a non-critical path item and should not impact substantial completion.

b. Upcoming Activities – see also 5.a-5.b. and 6.a.-6.c.

Continue installing the Addition's exterior cladding, begin building the Addition elevators, perform seismic upgrades in the Courthouse stairwells, continue painting the structure of the Addition stair tower, close up and weather-tighten the stair tower, connect each floor to the Addition's MEP (mechanical / electrical / plumbing) risers, hook up and test rooftop HVAC equipment, complete renovations in and around Courtroom 5D, continue renovations in Courtroom 3A, complete electrical and ceiling installation in the Courthouse Basement renovation areas, and complete build-out of the restroom core (toilet accessories).

c. Progress to Date

Installed curtainwall cladding to the west face of the Addition; weather-tightened the Addition; cut the opening between the Courthouse and Addition at the Basement level; began installing the roofing membrane; installed tile, countertops, lavatory fixtures, partitions, and fire sprinklers in the future restroom core; hoisted the Addition's rooftop HVAC units into place; began installing the Addition's curtainwall glass; framed the interior and exterior of the Addition; installed a manlift on the east side of the Addition; applied fireproofing to Addition structural steel; erected the Addition mechanical riser; built the Addition's rooftop mechanical platform; installed overhead and in-wall MEP on all levels of the Addition; installed flooring in the renovated Basement Imaging areas; performed renovations in Courtrooms 2B, 2C, 2D, 2E, 5A, and 5C.

2. Contract Metrics

- a. Hoffman given Notice To Proceed: 7/30/2018
- b. Phase 1 Projected Completion: 3/12/20
- c. Phase 2 Substantial Completion: 3/4/21
 - Reflects non-compensable time extensions to cover delays resulting from removal of contaminated soils and the remnants of the old County Detention Home, and from the February 2019 snowstorms.
- d. Original Project Budget (approved by Council 7/30/2018): \$76,579,770

- Adjustment due to removal of art allowance: -\$441,417
- Revised Project Budget: \$76,138,353
- e. Work Complete and Invoiced Through 8/31/19: \$33,722,094

3. Changes

None at this time.

4. Upcoming Project Decisions Needing Court Input

Due Date	Item
	None at this time.

5. Stakeholder Concerns

- a. **Minimizing Noise Disruptions** The Project Team continues to provide advance notice to Superior and District Courts regarding activities which may carry major noise impacts, especially those which must continue in order to maintain schedule.
- b. **Phase 2 Office Move Planning Meetings** The Project Team has held Phase 2 (2020-21) planning meetings with all building tenant groups and followed up with Hoffman Construction. The County, OAC, and Hoffman are working together to finalize a Phase 2 logistics plan for distribution. Follow-up with selected stakeholder groups will occur as needed.

6. Announcements / Action Items

- a. Notable Work
 - i. **Building Skin** Crews continue to form the Addition curtain wall, the nonstructural outer covering of the building protecting against weather, from west to east around the building and upward from floor to floor.
 - ii. Near-Future Milestones (exact dates TBD)
 - 1. Courthouse cooling tower replacement and inactive antennae removal are expected to occur by mid-November.
 - 2. Cut-throughs between the Courthouse and Addition on Levels 2 and 4, prior to the end of Phase 1, will take a restroom offline on each floor.
- b. **Current and Upcoming Courtroom Work (2019-20)** Work in the following courtrooms will include patching ceilings; replacing carpet, HVAC boxes, pews, and jury chairs; and installing sprinkler piping and acoustic fabric panels.
 - i. **3A (District Court Department 2)** ongoing since April 1. The courtroom will be turned over once the Addition is complete and open.
 - ii. **2B (Superior Court Department 1)** Crews will return to finalize upgrades, December 19 to January 3.
- c. **Early Phase 2 Courtroom and Chambers Work (2019)** Work in these areas includes installation of structural elements, such as drag struts and collector plates.
 - i. 5D Chambers Area (Superior Court Department 10 & 10.5) October 5 to October 27. Structural elements are currently being installed above ceilings.

- ii. **5A & 5B Chambers Areas (respectively, Depts. 12 & 11)** December 23 to January 1.
- d. **Rosetta Stone (Figure 1)** The Project Team uses this table to align current and new courtroom numbers and the judges assigned to those rooms.
- e. **Update Meeting Series Now Monthly** Our next scheduled instances in the series will be October 24, November 21, and December 19. Written weekly updates will continue.
